

BECOME A VOLUNTEER WITH US!

Expression of Interest Form

Sunbury and Cobaw Community Health is a not-for-profit health organisation. We provide a range of services that respond to the needs of our communities in the Hume and Macedon Ranges regions. People truly are our greatest asset – with volunteers being vital to our ongoing services.

You can learn more about us online at sunburycobaw.org.au. Please keep the following in mind:

- This form is for internal roles at Sunbury and Cobaw. Only some of our programs are able to accept volunteers.
- Positions are offered only when there are vacancies. It can be a wait of some months, as many of our existing volunteers commit long term. We support all community volunteering and therefore also encourage you to apply online elsewhere such as Hume Gateway at govolunteer.com.au and Seek at volunteer.com.au.

We respect your privacy. Information you provide is treated as confidential. **Your**
